DISTRICT ASSEMBLIES 2018

INSPIRATION & CHALLENGE

"Hearing what the voice of the Spirit is saying to the Church". The Spirit has been speaking to the church – and not least through the Assembly reports of the District Superintendents, which contained frank assessments of the current state of the church along with a passion for effective outreach and growth. Indeed, **"Inspiration and Challenge"**.

Speaking to delegates in Bangor, Rev Jim Ritchie highlighted areas of encouragement and denominational strength. These include, a strong Missional Focus, Community Involvement, Inspiring Worship, a rich and deep Theological Heritage, the dual emphasis on Word and Spirit, Compassion for all and Committed Leadership in our churches. However, alongside these blessings there is a need to press on in key areas. The blessings are considerable, but the challenges are great – and in the following areas:

- *Discipleship Deficit: to take people from conversion to growth in Christ.*
- *Effective Evangelism: to be able to fruitfully reach people with the Gospel.*
- *Cultural Relevance: to engage with an ever changing world.*
- *Lacking Resources: to overcome frustration and low expectations.*
- *Ageing Population: which can limit activity and continued witness.*
- *Engaging Youth: which is a massive priority and a huge challenge.*

Many of these insights and challenges were echoed in the report brought by Rev David Montgomery to South District delegates that met in Sheffield. The report highlighted the importance of several areas including:

- *Local Churches: the need to cultivate healthy local churches.*
- *Church Planting: the priority to start new centres of evangelism and outreach.*
- *Community Engagement: being involved in the local community.*
- *Personal Evangelism: including actions and words.*
- *Reliance on the Holy Spirit: for it is God who gives the increase.*

"Inspiration and Challenge" – and God's word reminds us that the Gospel is *"...the power of God that brings salvation to everyone who believes"* (Romans 1:16). The church must be guided and empowered by the Spirit and *"...by all possible means save some"* (1 Cor. 9:22).

IN MEMORIAM

Joyce Deasley passed away 5th March, age 82. Born in Alberta, Canada, Joyce Metz qualified as a Registered Nurse, and in 1958 married Alex Deasley. The following year the Deasleys returned to England where three children were born and Joyce continued her nursing career and shared in and supported Alex in his pastoral and teaching assignments in Ashton and at British Isles Nazarene College, Manchester. From 1972-77 Dr Deasley taught at Canadian Nazarene College in Winnipeg and Joyce was again able to follow her nurse's calling. In 1977 the family moved to Kansas City where Dr Deasley became Professor of New Testament at the Seminary. Joyce was a devoted wife and mother and was also involved in a visitation ministry through her local Nazarene church. Funeral services were held 10th March in the Overland Park Church of the Nazarene. We remember Dr Alex Deasley, and Richard, Shauna & Jeremy, and their families, in our prayers.

Evelyn Edgar passed away 12th March, age 84. The wife and help-meet of the late Rev D. Fred Edgar, Evelyn shared with her husband in the work of the Belfast Shankill Mission, which became the Shankill Church of the Nazarene in 1979. After 6 years in Troon (1982-88), the Edgars returned to pastor the Shankill church until Fred's home

-call 30th March 2012. The Shankill Church of the Nazarene was packed for the Service of Thanksgiving for Evelyn Edgar's life held 16th March which was conducted by Pastor Philip Evans and Rev Caroline McAfee. The Edgars had five children, Rev David Edgar (who was unable to attend the funeral due to sickness but followed the service on live video call from the USA), Karen, John (deceased), Kathleen and Jill. Our prayers are with the family in these days.

Rev Margaret Brown passed away 22nd April – she was a few weeks from her 61st birthday. Originally a nurse who came into contact with the Church of the Nazarene in Taunton, Margaret studied at our College and in 2006 was inducted to the Atherton Church. She was also involved in ministry in

the Ashton and Bolton Brownlow Fold churches and was ordained in 2010. Many Nazarenes attended the funeral service held 11th May at the Howe Bridge Crematorium, Atherton. For the past 2 years Margaret had been in fellowship with the Sports Village Church, Leigh.

UPDATE ON BROOMHILL, GLASGOW

Partick Bethel was a Holiness Mission led by George Hart in the first part of the 20th Century and located in the West of Glasgow. In the 1960s the work became the Hart Memorial Church of the Nazarene, and in the early 1970s relocated to its present building in Broomhill. In recent months significant developments have been taking place both in practical areas – property maintenance and improvements – and relative to the ministry team. Senior Pastor, Robert White, reports that a US Nazarene couple, Dr Steve Fountain and his wife Tasha Alison have joined the ministry team as Associate Pastor and Community Outreach Pastor respectively

Steve, who is the son of Nazarene missionaries, is an author and teacher and is highly qualified both in the medical and theological areas. A graduate of Trevecca Nazarene University, Steve holds the MD degree from the Medical University of South Carolina and has a PhD from the University of Glasgow where his thesis was on the topic of kenosis in the theology of Thomas J.J. Altizer and the fiction of A. S. Byatt. Tasha has considerable experience in the area of marketing and research and was a Vice President at the Alison & Associates marketing company for 20 years. In 2009 Tasha and Steve founded Icebox Ministries (www.iceboxministries.org) which seeks to teach people how to make healthier food choices and minimize food waste and already a programme for those interested in the spiritual importance of food issues has been launched at Broomhill.

A new chapter has begun in the work at Broomhill and much interest is being shown as new ministries and outreach take place.

THE KINGDOM CHOIR AT FRESH GROUND

Just two days after singing at the Royal Wedding in Windsor 'The Kingdom Choir' was hosted by the London, Battersea Rise, Fresh Ground church on Monday 21st May. The programme was broadcast live to the ABC News breakfast show, "Good Morning America". Led by Karen Gibson, who was interviewed for the breakfast show, the choir powerfully proclaimed the Gospel.

In addition to her work with 'The Kingdom Choir' Karen also leads the 'Gospel on the Rise' community choir which meets in the church. Numbering about 60 the choir meets every Wednesday and gives concerts from time to time. Local pastor, Rev Jason Nike says, "...Karen is a good friend of ours and lives near to the church...many from the Fresh Ground community attend...there is a real spread of ages, ethnicities, social backgrounds and faiths. We thank God for all He is doing through Karen and we are really thrilled that Karen and the 'Gospel on the Rise' choir are partnering with us in 'enriching our community through faith, friendship and compassion'."

NAZARENE THEOLOGICAL COLLEGE: BACK IN SCOTLAND

The collaborative partnership between NTC and the Scottish School of Christian Mission that has developed over the past years is changing. The SSCM Board decided last month to dissolve as a charity, as of June 30th, confident that NTC can "carry the vision of mission and transforming communities across Scotland and further afield."

NTC, founded on the edge of Glasgow almost 70 years ago, will continue to fulfil the need and desire for a Scottish-based centre of evangelical Christian learning and teaching, specialising in training in youth work, community transformation and urban mission, designed and delivered in and for Scotland. NTC has already begun to recruit Scottish-based students for the next academic year.

Noel Peacock, SSCM Board Chair, commented, "We are delighted that the vision of mission and transforming communities held by SSCM is being taken up by NTC. Having worked in partnership with NTC we are confident of their commitment and capacity to carry the vision into the future."

The core Glasgow-based teaching team will remain, but NTC will take a much more hands-on role in setting strategic vision and in developing a presence in Scotland. Dr Deirdre Brower Latz, Principal, comments "We are delighted to be able to build on the work of SSCM. Change is inevitable, but that powerful and hopeful vision remains strong."

National President of the Church of the Nazarene in Cuba, Rev Leonel López, said, "In this moment of anguish and pain, we ask for your prayers and help to be able to get through this situation together." The Global Church of the Nazarene has been in prayer for the bereaved families.

UNITED SERVICES were held in different venues on the North District on Sunday 20th May. Ireland at Carrickfergus approximately 250 met for an evening rally and Rev Stephane Tibi (Eurasia Education Coordinator) was the speaker. One interesting feature of the service was that the Pentecost passage (Acts 2:1-12) was read in 5 different languages – English, Spanish, Arabic, French and Swiss-German. Over 300 from Scottish churches gathered in Perth (pictured) to celebrate together and Rev Michael Kane (also pictured, Chaplain NTC) was the speaker.

Following studies taken at NTC, Manchester, Robson is currently completing a degree course at the University of Glasgow in Psychology and Social and

Robson says, "...we are trying to...move our passions and focus on the things that matter...sometimes it's good to shake things up so that the dust can settle on the real things that matter and that God is already doing."

At the South District Assembly Rev Carl McCann (Ashton) was presented with the "Timothy Award" – a denominational award established in 1995 which is given for "service, sacrifice and personal commitment to youth through NYI".
